**System Requirements For Listware For Excel:**

Windows: MAC OS X: Previews Think of this card as an "easy" upgrade over the 15th printing "Omnipresent". It isn't quite as easy as you may think. The reason for that is twofold. First, this card is a little more mechanical than "Omnipresent" due to the somewhat more complex setup. Second, the easy parallel play mechanic (used to make this card easy) is not as easy to use as you may think. This
