Features Key:

A direct connection to the online** RPG. Play on your own terms while easily forming powerful bonds with others.
Asynchronous online play. Reconnect with the people you have met in the game to continue playing together. Enjoy online sessions, unlike those in a chat room.

** Please verify and fix any added ingame usernames against the details posted, and ensure that the player is on at the time the character appears as stated in the character description.

- Do not long for PvP, or your character won't appear. Non-PvP restrictions set at developer's discretion.
