Below are the features from the FIFA Interactive World Cup 2018 release notes. FIFA Interactive World Cup 2018 Overview As the international football championship of its kind, the FIFA Interactive World Cup is the biggest football competition across multiple platforms, consisting of multiple tournaments in the form of individual matches for every participant. The FIFA Interactive World Cup has become a global phenomenon in which the winners are crowned champions of their respective localities, and all participants have the chance to experience the highest level of game-based football – all set within the award-winning FIFA World, the most-recognized sports game in history. The FIFA Interactive World Cup 2018 is a big endeavor to reveal football in a brand new way through the use of rich, lifelike interactions. For the first time ever, there will be an array of “real-life” activities with the Real Player Motion System in FIFA World, where players play according to their accurate physical movements within matches. It’s amazing to see them perform on screen. Play exclusively with your friends in a local, worldwide tournament as challengers against players from all over the world. Online matches allow the use of a global friend list, and you can compete in the FIFA Interactive World Cup 2018 in solo or in online tournament mode. With a wide range of content and modes, FIFA Interactive World Cup 18 will truly make you feel like you’re participating in a real-life event. The introduction of Real Player Motion Technology sets the standard for all future FIFA titles. Features In addition to the new Real Player Motion Technology, FIFA World in FIFA Interactive World Cup 2018 adds the “Supporter Level” and several other features and improvements. Supporter Level: With FIFA Interactive World Cup 2018, you get access to the Supporter Level. The Supporter Level is the second-highest level in-game and is free of charge to all players. The Supporter Level gives you the opportunity to participate in the FIFA Interactive World Cup 2018 and earn exclusive rewards such as the FIFA Interactive World Cup champion title, a sponsorship from your favorite club, as well as new outfits and accessories based on real-life kits from World Cup champions and other major clubs. New Career Mode: The new career mode offers the opportunity to play a full season within the Open League and the Knockout League, all in a single season. Develop your squad and get your players professional contracts. New Pass

FIFA® 21 joins the celebration of EA SPORTS' 20th anniversary as the award-winning franchise celebrates it's biggest milestones to date. FIFA 21 features fundamental gameplay advances like new first-touch choices, automated shooting, second-hit chances, wider positioning in defensive rebounds and X-Factor moments. You can now score from set plays, including set-piece goals and penalty kicks; and your teammates can now help you out on corner kicks and free kicks. In addition to all the new features, EA SPORTS also revisited three of FIFA's most popular modes this year: The FUT Draft, FUT Champaign and FUT World Tours. -The New Generation of FUT Draft: The one-and-only draft from FIFA 17 makes its long-awaited return. Players can now scout your entire squad and prepare for their draft based on their ranking, traits, history and more. -FIFA Ultimate Team Champaign: FUT Champaign introduced a new feature that allows you to craft your ultimate dream Champaign squad. You can now create a Championship-ready squad in a range of different formations and performances based on your vision of your ideal team. -FIFA World Tours: This year's World Tours returns for one more adventure in one of football's most popular destinations. Learn how to manage your entire roster and scout the best players from all over the world for your World Tour. Powered by Football™ FIFA adds refined control schemes, a new customization system and universal controls to bring the game closer to the real-life experience. FIFA 21 features the intelligence and flexibility of Frostbite™ on a new generation of game engines. New situational intelligence allows you to anticipate and react to match scenarios before they happen on the pitch. FIFA 21 allows you to respond with a pre-determined movement plan or tactics to changing situations, as you make each decision dynamically the instant the situation changes. The flexible and strategic intelligence now embedded in the game enables smarter planning, decisive execution and fluid play. New control options FIFA 21 now features custom settings on the pitch. You can now choose from a new fullscreen Control Pad, touchscreen Control Pad and D-Pad and additionally, you can toggle the D-Pad virtual control stick between the sides of the screen and the bottom of the screen.
