Content: How to make people talk? The funniest porn. There are sphcoders that have created thier own language. Why? Because they can. Portuguese, Spanish, Russian, German or Chinese: there are many languages with more than 100 million speakers. Game designer Rodion Romanick wrote a "spatial word bank" that has a dictionary of 100,000 words. [duration:01:14] [player:content/tarnished-hero] Also, if you're like me, you love colors. But does any of this colors naturally stands out from the others? [remark:content/tarnished-hero] [player:content/tarnished-hero] ]>Rouge Tue, 12 Jul 2015 22:53:57 +0000 The year is 2833. Humanity, on the brink of destruction due to a world crisis, establishes a new government based on Universalist ideals. In this new world order, people are classified by various descriptors. Can this new order survive when secrets are being kept from the very people who would be entrusted with its survival? This is a science fiction drama about people who
