Goog1e Soft and hard ware 10 Jul 2017 Mar 11, 2018 · But sometimes, you do want to get your hands on the hardware, like on the audio side, where you'll spend more than $1,000 on a new microphone and $1,000 on a tape recorder. OR, you might just want to buy a plug-in for a $30 to $60 price range, such as Apple's Logic Pro. From there, you can fix it up with a tweak here and a bit of a tweak there, or maybe even buy all-new hardware. That's a pretty exciting scenario for someone who is either trying to make their first music, has been around for a while and wants to get serious about using a mixing board and wanting to try out some new digital technology. Or, it can be great if you're a mix engineer who just needs to make some music for a new song. The best mac apps at any price. Print it. Or share it. Browse by category.
